CITRUS-BASED CLEANER FOR REMOVING TAR , ASPHALT & LABELS

DURASOLVE CB2

ORDER HOTLINE: 800-678-7275

Durasolve is specially designed to clean oil, tar, gum and adhesives without any harsh solvents.

Durasolve CB2 is the “go to” product for cleaning petroleum based messes when it has to get done right the first time. This is also one of the few cleaning products available that will clean up #6 oil with ease, which is usually “untouchable” by our competitors. Call now to place your order: 800-678-7275

- **SAFE FOR PAINTS AND METALS**
- **CITRUS-BASED, NON-TOXIC, BIODEGRADABLE**
- **WATER RINSABLE**

The “Go-To”
product for
cleaning oils,
tars &
adhesives

Over the last 60 years, SafeWash Technologies has built its reputation as a leader in the detergents industry. We develop and manufacture powerful, eco-friendly detergents which keep commercial and industrial equipment and facilities sparkling clean.

SafeWash Technologies has achieved EPA Champion Status, which means that our detergents are the most powerfully effective cleaning agents on the market without using any nonylphenol ethoxylates. Many other commercial detergents contain NPE's, which are not only bad for the environment, but can also endanger your employees and customers. **SafeWash builds power into our formulas without relying on unsafe surfactants.**
